Student

Simraungadh-3, Bara • +977 9822228722 • rahul7926963@gmail.com

I am a dedicated Science student with a passion for technology, web development, and gaming. Always seeking opportunities to learn and innovate, I aim to apply my skills to solve real-world problems in dynamic environments.

EDUCATION

Class 11 (Science)

Kathmandu, Nepal

Capital College and Research Center

Apr, 2025 - Present

Currently pursuing higher secondary education with a focus on Science, aiming to build strong foundations in Physics, Chemistry, and Mathematics to support a future career in technology and development.

Class 10 (SEE - Secondary Education Examination)

Hetauda, Nepal

Adhunik Rastriya Secondary School

Apr, 2025 - Apr, 2025

Successfully completed secondary education with a solid academic record, gaining fundamental knowledge in core subjects and excelling in Mathematics and Computer Science.

ACHIEVEMENTS

Microsoft AI Program Completion

Successfully participated in the Microsoft AI program, gaining hands-on experience in artificial intelligence concepts, including machine learning, neural networks, and natural language processing.

Web Development Project

Developed and deployed a personal portfolio website using HTML, CSS, JavaScript, and React.js, showcasing my web development skills and projects.

TRAINING/CERTIFICATIONS

Microsoft AI Training

2025

Microsoft

Participated in the Microsoft AI program, gaining hands-on experience in artificial intelligence concepts such as machine learning, neural networks, and natural language processing. During the course, I developed a basic AI model and explored the practical applications of AI in various industries.

Full Stack Development Intern

2025

Code Alpha

Selected for a prestigious internship in full stack development, where I am working with technologies such as HTML, CSS, JavaScript, React, Node.js, and MongoDB. During this internship, I am gaining hands-on experience in developing both front-end and back-end components for web applications, collaborating with a team of developers, and improving my problem-solving and coding skills.

SKILLS

Communication, Teamwork, Leadership, Flexibility, Critical-thinking

LANGUAGE

English, Nepali, Hindi, Bhojpuri
